

MEETING ROOM MANAGER - EXCEL SHEET REQUIREMENTS

Purpose:

This document is mostly for the team requesting any changes to a meeting room to verify if the uploaded workbook meets the technical requirements when it comes to naming conventions for the file's extension, worksheet name and listed headers.

For the provisioning team, it acts as a reference point to verify if the workbook submitted satisfies the criteria of the Meeting Room Manager and to troubleshoot if an error occurs in tool BECAUSE OF THE SUBMITTED WORKBOOK from the requirements listed below.
